

Hawthorne Park Apartments

November 19, 2025

Dear Hawthorne Park Residents,

We hope you and your pets are doing well and enjoying our community. As part of our commitment to maintaining a clean, healthy, and welcoming environment for everyone, we are reaching out with an important reminder regarding pet etiquette within the building.

Recently, we have noticed an increase in incidents of pet waste—both feces and urine—being left in our interior hallways and common areas. While we understand accidents can happen, it is essential that all pet owners clean up after their pets immediately and ensure they are taken to appropriate outdoor areas for bathroom breaks.

Hawthorne Park offers convenient options, including our on-site dog park, as well as multiple outdoor walking areas that provide a safe and comfortable place for pets to relieve themselves. Please use these designated areas and always dispose of waste properly.

To maintain the cleanliness and safety of our community, any resident found not picking up after their pet or allowing their pet to soil interior areas without proper cleanup may be subject to fines in accordance with community policies.

We truly value our pet-friendly environment and appreciate your cooperation in helping keep Hawthorne Park a clean, pleasant place to live for all residents—two-legged and four-legged alike.

If you have any questions or need guidance on our pet policies, please feel free to contact the management office.

Thank you for your attention and partnership.

Warm regards,

Sandra Rose Walton

Community Manager
